

## Lake Monticello 2009 Pontoon Boat Slip Waiting List

Lake Monticello's pontoon boat slip waiting list continues to be lengthy, and there is no reliable way to predict turnover. At press time, there are 132 names on the pontoon list.

The pontoon and regular (V-hull) lists are maintained separately and slips will be offered in the order that names appear on each of the individual lists. If you think you may be interested in renting a boat slip at some time in the future, it is a good idea to add your name now. You may do so by calling Gary Hannifan at the Marina at (434) 589-1692, or email *Marina @lmoa.org* at the earliest possible opportunity. If you want your name removed from the list, please follow the same procedure.

Property owners whose names come to the top of a list but do not want a slip at that time will be moved to the bottom of the list. Anyone who cannot be reached with reasonable effort also will be moved to the bottom of the list.

LMOA urges property owners to read the entire boat slip rental agreement carefully. Once a renter accepts a boat slip, payment for rental must be made in full within seven calendar days. The slip must be occupied by the renter or proof of purchase of a boat be submitted within 60 days of making the slip rental payment. If these conditions are not met, the slip and any rental fees will be forfeited, and the property owner's name will be moved to the bottom of the list.

Also, please note that Policy Manual Section 6.05 I D. 4. f. prohibits transfer of boat slips from one person to another. Only LMOA can rent and assign boat slips. The Policy clearly states: "Renters of boat slips shall not under any circumstances transfer use or rights to any boat slip."

Below is the waiting list for pontoon boats, as of January 2009.

- |                           |                                |
|---------------------------|--------------------------------|
| 1. Wasserott, Joan        | 26. Akron, Karen               |
