

## LMOA Emergency Guidelines

### IF YOU ARE AWARE OF A MEDICAL, RESCUE, OR FIRE EMERGENCY, CALL 911.

If severe weather appears possible or is predicted, residents should turn to the local news media and internet sites provided at the end this guide for up-to-date information or a NOAA Weather Radio.

In an emergency situation,

- Lake Monticello residents are advised to “shelter in place”.
- Follow your Individual/Family Emergency Plan.
- Use your emergency supply kit as needed.
- Residents are advised to turn to cable Channel 10, call Lake Monticello Emergency Hotline at 589- 8263 (Ext 300), call the Main Gate at 589-3215, or turn to the local media sites provided at the end of this guide for timely information and local instructions.
