

# BRG Meeting Minutes

## 1/6/10

Meeting began 7:05 pm

- Discussion centered around committees and possible liasons to various committees. We discussed our duties according the LMOA policies.
- The committee then discussed what had been accomplished in 2009 - including studies and other reports, the roads, marina office completion, and tennis courts report from Carol Brown.
- More discussion regarding committees and better communication between BRG and Finance, Planning, LPC and Storm Water Mgt.
- Also, mentioned was progress on maintenance and other projects. Carol Brown suggested adding a resolution to the recommendations. Britt Johnson and Cam White spoke with Chad Brown (via telephone) regarding budgeting for maintenance and other projects. The committee further discussed needed guidelines for planning projects and funding maintenance. BRG suggested that Maintenance and Ron Shields needs to work with BRG on completing projects.
- Carol Brown suggested getting a plan and materials for the canoe/kayak rack and a couple of the members thought it might be a good volunteer project maybe even have Tom Buglia (if he chose to stay on as a BRG volunteer) help with his students or the Boy Scouts.

Meeting adjourned 9:05 pm
