Old Business

- 1) Discussion was held regarding a day of golf for all residents of Lake Monticello proposed by Emil Colmenares. It was decided not to play golf but instead have a social event with a cookout, mini golf competitions on the driving range, putting green and chipping. Volunteers are needed from the golf committee to make this successful. Chris Zullo will further discuss this with Emil. The event is scheduled for Sunday, October 17th.
- 2) New weekend membership – Discussion was held on how quickly to promote and advertise the membership. Mark Marshall suggested an article by Duncan Nixon could be written. Flo Marks suggested putting flyers in the mail boxes of lake residents and also in the Friday Flyer. Mark will check on the cost of the flyers.
- 3) Wills, bequeaths, gifts – Rowland Carlson stated that a note was sent to John Korhonen and the Board – they are in favor of this and a follow-up will be done.
- 4) Eagles Nest Parking – Mike from the Eagles Nest did not want a reserved parking space. Deliveries will be made from behind the building.

New Business

- 1) Flo Marks recommended the start of the golf course tours on Saturday or Sunday afternoons.

Tournament Committee: Faulconer - Wayne Murphy stated that thank-you's went out and feedback was requested. The golfers were very positive with their comments. He suggested next year a video should be recorded of the award ceremony and shown on channel 10.

Tournament Committee: Cliff Altschull stated the Member/Guest tournament went extremely well and the golfers had a great time. Suggestion for next year is to hold the dinner at the Eagles Nest.

Mark Marshall's report is attached. Mark stated that the fountains are in and need to be installed on 3 & 9; the family tees are not here yet.

The meeting adjourned at 5:10 pm

Respectfully submitted,
