
RESOLUTION PROPOSAL

DATE: July 23, 2009

SUBJECT: Amend PM 6.08 Facilities Rules and Regulations: Tennis and Basketball Courts to update rules for playing tennis

SPONSOR: Meg Gore, Asst. Sec. for Policy Review

BACKGROUND INFORMATION:

Two issues related to the LMOA Tennis policy need to be addressed.

First, the tennis policy is included in three documents: in PM 6.08, in a policy statement which is part of the tennis member application and in the rules posted by the Ashlawn tennis courts. The policies from these documents are not consistent. The proposed changes to PM 6.08 state the current policy. If the Board approves the changes, the tennis membership application and the posted rules will be updated to reflect the approved policy.

Second, a concern was raised about access to the Ashlawn tennis courts being limited to tennis members only. It was felt that the tennis courts should be available to more residents. Director Harrison proposed a system of day use of the tennis courts that will allow greater access and use of the courts, maintain the lock on courts, and establish a fee. The proposed changes to PM 6.08 include the changes recommended for day use players.

During the First Reading of the proposed changes, a comment was made that the Policy did not mention the Lafayette Tennis Courts. Section I.D has been added describing the use of the Lafayette Tennis Courts.
