
RESOLUTION PROPOSAL

DATE: April 22, 2010

SUBJECT: Amend PM 16.17 Committee Charters: Solicitation and Contract Review Committee Charter to clarify committee membership of staff contracts administrator

SPONSOR: Dick van Nierop, Chair Solicitation and Contracts Review Committee

BACKGROUND INFORMATION:

The S&CR Committee membership as defined in PM 16.17 does not adequately meet the needs of the Committee. The policy is clear in stating that there can be five members however the solicitations and contracts staff person is defined in the policy as a part-time employee.

When the Solicitation and Contracts Administrator Linda Adams was appointed to the Committee, she was a part time LMOA employee. Since that time, Ms. Adams' position has changed to a full time staff position. Given that the Solicitation and Contracts Administrator is an integral member of the Committee, I am proposing the changes to PM 16.17 as attached which will:

- replace the specific job title - which can be (and has been) revised - with a generic term for the staff person and
- allow for the staff person to be a full-time employee and still serve on the committee.
