Dear Meg:

Kate Lucas, on behalf of Charlottesville Multisports and the UVA Cancer Center would like to request permission to include the Monticelloman Half Triathlon the same morning of the Monticelloman Olympic Triathlon on May 6, 2012. This race would start earlier than the Olympic distance race and end at 4pm vs. 1:30pm. Only the extension of hours for race day is different from the original approved race.

As previously approved, we would need access to the Lake Monticello Club House parking lot for the transition set up on Friday, May 4 and lake access to set up buoys for the swim course on Saturday, May 5 with racing Sunday, May 6 from 9:00am-1:30pm. It would also be greatly appreciated if the lower level of the club house may be reserved for the triathlon packet pick up and the awards ceremony respectively on Saturday and Sunday in case of inclement weather.

The inaugural May 1, 2011 Monticelloman Olympic Triathlon received enthusiastic reviews from participants, community members, volunteers and spectators. We hope to continue this tradition as an annual destination race for triathletes around the country, to inspire the local community to try a life changing sport and to continue to grow the fundraising for the UVA Cancer Center. Your hospitality is greatly appreciated!

Sincerely,

Kate Lucas, Race Director
