

## HOW CAN YOU HELP SAVE LMOA MONEY?

The most inexpensive way for LMOA to process your payment is when you pay by check. The check payment option incurs the smallest bank fees.

Although we are glad to take your credit card payment, the cost to the Association is roughly 3% or \$22.98 for an improved property and \$18.48 for an unimproved property. These costs are charged to LMOA by our credit card carrier and are not costs we can charge to you for reimbursement.
